

Digital Container Shipping Association

Tony Wringe
Chief Operating Officer

13 Nov 2024

DCSA Partnership Vision

DCSA stands as the **collective voice of the container value chain**, driving **digitalisation**, improving **customer experience** and **sustainability**, across a recognised globally connected network

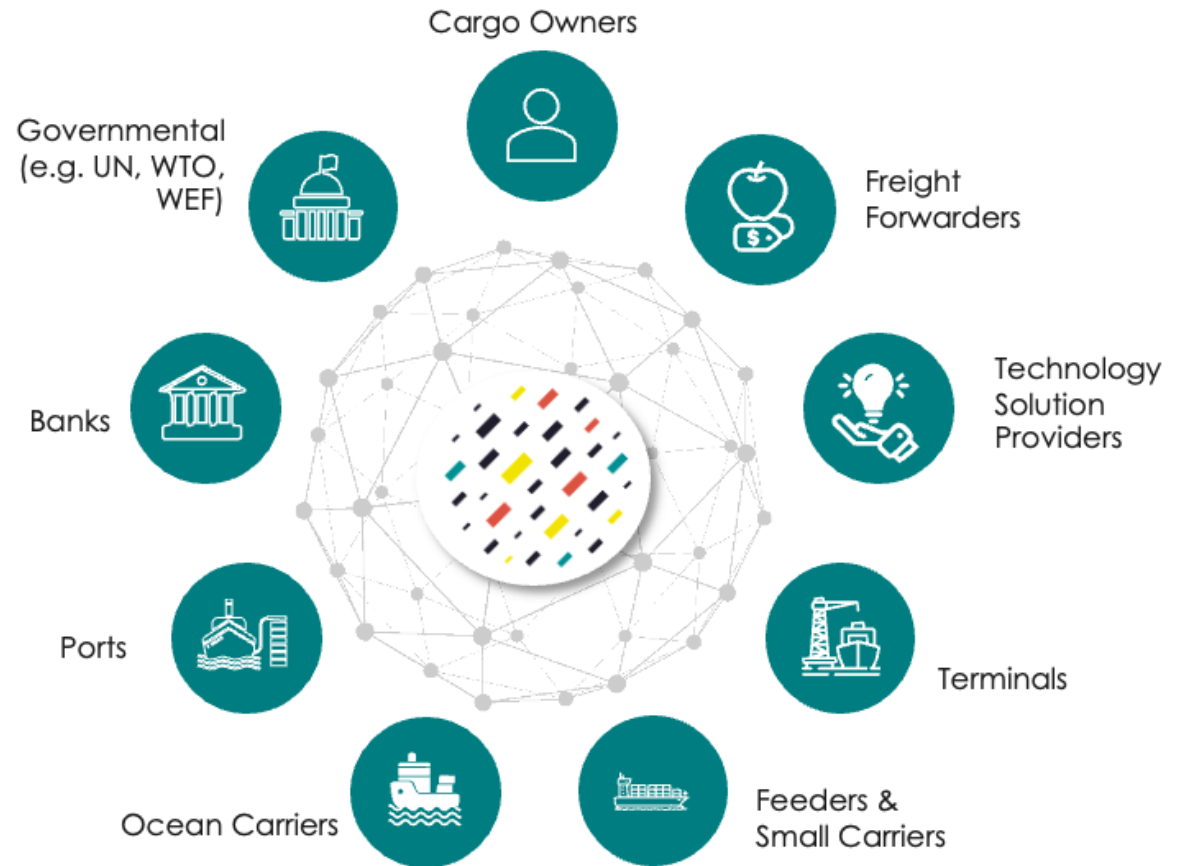

Non-profit

Vendor neutral

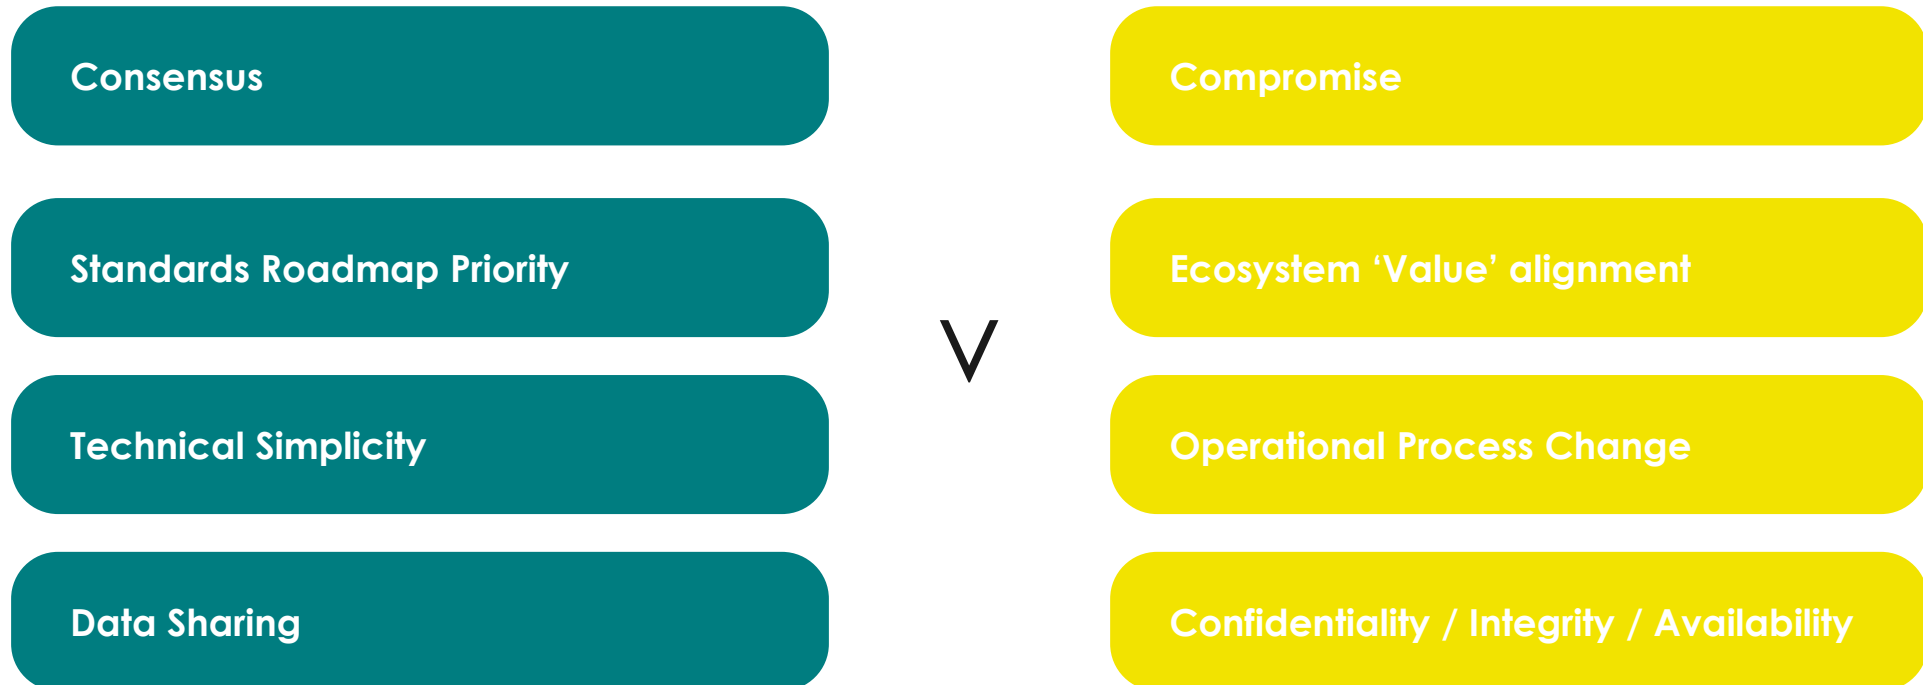

Open source

Building an ecosystem

The core DCSA standards already published and implemented by our existing members and their partners are increasing in scaled adoption. The velocity of publication is also increasing.

Taking on a global challenge

Interoperability

**100%
eBL by
2030**
