

# Bridging the Gaps in an Era of Transformation

## Maritime Industry

### **We actively seek emerging opportunities**

Keep abreast of new trends and technologies that reshape existing workflows across the maritime supply chain

### **We help startups reinvent maritime shipping**

Build bridges and open doors for startups to collaborate with the larger and often conservative shipping companies

### **We provide startups with smart capital**

Support startups through capital injection, knowledge spillover, network expansion, pilot projects and commercial partnerships

# INNOPORT

As the corporate venture capital arm of the Schulte Group, Innoport invests globally in early-stage ventures, focussing on the maritime and related sectors
